This is your chance to race a Corvette on a video-simulated Grand Prix-type racecourse. Sit in your chair in front of the steering wheel, gearshift and floor pedals; then "Start Your Engine". Can you already hear the roar of the crowd?

For the couples challenge, the driver will be blindfolded and his or her partner will give verbal directions to the driver. Oh boy! This will be very interesting. If requested, names of therapists for couple's counseling and/or divorce lawyers will be provided.
